Premier Restoration Hawaii Purchases Can Clean Hawaii to Support Expanding Presence on Oahu

HONOLULU (November 6, 2017)— Premier Restoration Hawaii, Hawaii’s leading restoration company, has acquired Can Clean Hawaii, a 30+ year Kama’aina Oahu-based business specializing in water mitigation. Through the partnership, Premier Restoration Hawaii expands its water mitigation relationships and the Can Clean clientele gain the value of Hawaii’s most comprehensive mitigation and restoration company. Services include: Water Extraction, Structural Drying, Mold Remediation, Fire Reconstruction, Asbestos Abatement, Contents & Personal Property Reclamation and full Reconstruction.

The co-owners of Can Clean, Ken Montpas and Charlie Ogden, and their team bring an impeccable lineage of client service, loyalty and trust. This will be a strong addition to the already robust Premier team. “Being able to bring our clients the full scope of Premier services is simply the next best step”, said Ogden, who will be staying on as part of the Premier Ohana.

Premier, with locations on Oahu & Maui serve four of the six major Hawaiian Islands. Premier launched its complete restorative service lines on Oahu in the fall of 2016 and has seen explosive growth in all areas of the business. Chris Eldridge, acting President & CEO of Premier said, “The Can Clean guys have run a professional organization and share similar values of Premier - we gain a great group of technicians to help with our significant growth on Oahu and their clients gain a much-expanded service line with Premier.”
